Lasting Memories:

TIM DRESSED AS A HOBBIT AT ANNAPOLIS BAY "ALADDAN". OPEN AIR MUSEAM; COKE/COOL DRINK MACHINES EVERYWHERE (HEAVEN); SWIMMING IN THE GASPEREAU RIVER + THE SEA; CYCLING THROUGH APPLE ORCHARD COUNTRY; THE CROWN AND THE GRAVE (NO, NO, NO, NOT DRUGS) MUSEUMS IN HALIFAX; THE DAY IT RAINED (GOOD TEMPERATURE); THE FATTEST CAT IN CANADA; CANOEING.

Things to avoid: **THE MOSQUITOES. TRIED "SKIN SO SOFT" BRAND OF SKIN CREAM; VITAMIN B6; ANTI-MOZZIE STUF (NOTHING WORKED MUCH). NONE OF THEM BIT BERT BROWN - WHAT'S THE SECRET BERT?**

Hot tips: **THE SCOTS ARE VERY POPULAR - LOTS OF SCOTTISH LINKS. CHEESECAKE AND MUFFINS ARE FANTAASTIC, MUSEUMS ARE GREAT AS ARE ART GALLERIES. TAKE ANTI MOZZIE STUFF!**

SEE PAGE 17 FOR FURTHER COMMENTS.

Breakdowns: (hopefully none) **NONE BUT TIM HAD A BENT BACK WHEEL**
