WHY JOIN?

WHETHER YOU'RE new to cycling, ride regularly, are looking to get back into the saddle or looking for a new pursuit, Cycling UK caters for you. For over 130 years, we have shared our dedication and passion for cycling to inspire more people to get on their bikes.

And here's why one of our 67,000 members became a Cycling UK member: 'I joined to get an opportunity to do more bike riding. The local group were doing rides of various levels so I joined in with that and carried on from there. I joined about two years ago in Bristol. There's a

fairly active group that has lots of rides. It was a good group to join and get involved with the social rides and things like that.' – David Stringer

CYCLING UK CYCLECOVER TRAVEL INSURANCE

CYCLING ABROAD IN 2016? Make sure you're covered. When thinking about your next cycle trip, we believe that travel insurance should be a vital part of your planning to protect against unexpected illness or injury, loss or damage to your possessions or delays to your travel.

But have you considered that 'off the shelf' travel insurance may not cover the things you need as a cyclist abroad? Many discount travel insurance providers may consider cycle touring to be a hazardous activity and they may charge a

higher premium or not cover it at all! And even if they do provide cover, your bike may not be appropriately insured.

Cycling UK Cyclecover Travel Insurance provides policies specifically designed with cyclists in mind with benefits exclusive to Cycling UK. This means

we offer high levels of cover designed to suit your needs, including:

- Bicycle cover up to £3,000.
- Replacement bicycle hire, roadside recovery, onward transportation and cycle event fees.
- Repatriation for you and your cycle, trip cancellation, medical emergencies, personal baggage (including cycle accessories) and more.

Cycling UK Cyclecover Travel Insurance is supplied by Citybond Suretravel. To find out more about Cycling UK Cyclecover Travel Insurance and to get a quote, visit cyclinguk.org/travel-insurance
