

	<p>Parklands Railton Road Guildford GU2 9JX</p> <p>Tel 0844 736 8450 cycling@ctc.org.uk www.ctc.org.uk</p>	<h2>TAKING A CYCLE BY FERRY</h2>
<h2>TOURING DEPARTMENT</h2>		<h2>2011</h2>
<small>Copyright © CTC Cyclists' Touring Club. This information is supplied for personal use of members only. Reproduction in any form, in whole or in part, for commercial purposes is expressly forbidden unless licensing terms have been agreed with the club.</small>		

This is a list of ferry services within the British Isles and services to continental Europe. The information includes the name of the ferry, the places it serves and the ferry operators' details.

We believe that all the ferry services listed accept cycles. If a listed ferry company will not sell you a ticket because you are crossing with a cycle, we would be most grateful if you could inform the Touring Department at CTC National Office so we can investigate the situation.

GROUPS

If booking a group of cyclists, however small, consider going through the ferry company's group booking office. Very often a ferry company's website is not set up to deal with group bookings.

*** FERRY DISCOUNTS for CTC members ***

Get 10% off on 2011 cross-Channel fares. Call 0871 663 2559 and quote offer code CTCLUB, or enter the promotional code CTCLUB when booking online. Discount is not available on promotional fares nor can it be combined with any other offer. Return travel must be completed before 30 December 2011. Travel is subject to SeaFrance's terms and conditions. Proof of eligibility for this offer will be required at the SeaFrance check-in desks at Dover in the form of a valid CTC membership card.

SeaFrance is currently the only ferry company with whom we have been able to arrange a members' discount. We continue to work towards obtaining discounts with other companies.

GETTING TO FERRIES

If you're not cycling there, it's usually possible to travel to and from ferry ports by train with your bike; a list of the train companies and their policies towards cycle carriage is available; see CTC's information sheet "Taking Cycles by Train" (available free of charge to members) ~ document ref INF10.

Likewise a few bus and coach services will carry cycles and details can be found in the CTC booklet "Bus & Coach Services That Carry Cycles" (ref INF12).

Copies of both can be found on the CTC's website www.ctc.org.uk

FERRY CROSSINGS 2011

Updated 31 May 2011.

To the best of our knowledge, all ferries listed carry bicycles (some may also carry tandems). Charges vary - from free to half the adult fare. Bicycles may also need to be booked on some services, and in the high season space may not be available at all. Not all ferries run on a Sunday or through the winter months.

You are therefore advised to book your cycle when passenger tickets are purchased, or to telephone the ferry operator prior to your journey.
